Opis produktu

WASP (46 size - trainer category)

The WASP is a fine trainer for beginners to start with or as a re-trainer for more experienced pilots after a break. It does all you can ask of a trainer, and then keeps you entertained afterwards. It has plenty of speed and power, can climb out of trouble on motor alone, and will provide you with hours of enjoyment and predictable flying. The WASPs large rudder and symmetrical wing give the plane acrobatic capabilities for the more experienced pilot.
